## THE VISION OF THE OPEN HOME FOUNDATION

As a Christian Organisation the Open Home Foundation seeks to honour God by ministering to needy young people and their families, helping them overcome difficulties and stresses through providing social work, counselling, parent education, foster care and other support.

The Open Home Foundation foster care programme is provided through trained Christian families, with whenever possible, the goal of restoring youngsters to their own families.

The vision is one of young people in New Zealand growing up in strong caring families, preferably their own families or whanau or if this is not possible with a permanent foster family, while still keeping them in contact with their birth family.

It is a vision of the Christian community, through foster families and social workers and other staff involved with the organization, reaching out in love to struggling families and their children and walking with them through their struggles to something better.

Open Home Foundation has a slogan

**“Families helping Families”**

This slogan reflects the vision of the Open Home Foundation.

The Open Home Foundation is a National Christian Child and Family Support Service established in 1977.

There are 13 Service Centres throughout NZ: Auckland, Hauraki/Waikato, Bay of Plenty, Rotorua/Taupo, Taranaki, Wanganui, Hawkes Bay, Wairarapa, Wellington, Blenheim, Nelson and Canterbury.

We have a network of families who take children, aged from birth up to 17 years into care within their own homes.

Currently we have 25—30 new families coming to us for help every month. This year we are expecting to provide in excess of 4,000 bed nights of foster care.

A minimum payment per night is expected from the natural family to help cover the child's care.

Referrals are received from Child, Youth & Family, hospitals, Schools, Public Health Workers, Police, Social Work Agencies, local churches and privately.

We do receive some Government funding, however we also rely on gifts and charities to be able to continue to supply our services throughout NZ.

This is an opportunity to invest in NZ children and families through Christian social action.
